RECEIVED

JUN 13 2005

DEPT. OF OIL, GAS & MINING

Joelle,

This is to confirm in writing our conversation of this morning. Please proceed with our application to begin mining operations on the Neighbor mine. As we discussed the exploration permit is not necessary as it is redundant. Please find enclosed my application fee of \$150. Thank you for your promptness and courtesy.

Sincerely

Kyle Kimmerle
Kimmerle Mining LLC
